The Exemptions in a Number granted specially to those of approved loyalty and good position under such circumstances as in the opinion of Govt may justify the grant of the special exception. The Rules must be regarded Rules and Licenses under the Rules

All Landholders Members of Municipal Corporations cannot claim the privilege as a matter of course

Resident Magistrate's Court
Shimoga
28th September 1898

To

The Secretary to the
Government of Mysore
General and Rev. Depts

Sir,

I have the honour to submit herewith a list of persons to be exempted from the operations of all prohibitions contained in the Mysore Arms Regulation 1890, called for in Government order No. 22441-74/J 1357 dated the 30th May 1895 and the subsequent reminders.

The rights in the case of these persons has also to be

limited as in the Government Notification granting general exemptions, so as not to include the liberty of carrying cannon &c.

2. The names included are chiefly those of heads of Brahmans who usually go about with some retainers. A list had been made in 1896, but it contains names of many persons who did not apply for such exemption, and may not possess any arms to carry. If the list now submitted is published in the Gazette, it is likely that applications will be

received from others and a final selection may be made afterwards.

I have the honour to be

view thereon.

The ~~list~~ replies ~~received with the~~ read above contain recommendations in favour of a very large number of persons. The Deputy Commrs of Kadur & Hassan propose as many as 126 and 80 persons respectively, while the has proposed by some of the others.

Dy-

deputy Commrs though
not so numerous are
yet also considerable. The
Govt deem it inexpedient
to allow exemptions
in the case of so many
persons as are mentioned
in the lists now sub-
mitted.

2. It ~~has to be pointed~~
out that the exemp-
tion in question is a privilege
specially granted
to persons of approved
loyalty and good
position under very
such circumstances,*
as, in the opinion
of Govt may justify
the grant of the special
Concession and that
therefore all land-
holders and members
of municipal Commissions
cannot as a matter

claim the privilege as a matter of course.

3. The Govt consider that the exemptions already granted by the existing rules are liberal enough and that no further exemptions are now called for. In the case however of the Govts of Native States specified in the lists orders will be passed on the receipt of a report from the Inspl Supdt to whom the matter will be referred for opinion.

Sir,

With reference to your memo No. 7941/J.876½ dated 7th January 1899, forwarding for my opinion, a list of Gurus of Matts recommended by the Deputy Commissioners to be exempted from the operation of the Mysore Arms Regulation, I have the honor to State that, these lists appear to have been called for, from the Deputy Commissioners under clause 8 of Rule I of the Rules framed under the Arms regulations

egulations; and if so, I think these
Gurus do not come under that clause,
unless they are also regarded as
and-holders inasmuch as most of
em possess extensive lands. But
ven then, considering that such
xemption from the operation of the
Atms Regulations is granted only
is a mark of distinction, I would not
xtend the privilege to the Gurus of all
e Matts in the State, but would confi
t only to those presiding over the Matts

1. Parakalaswami matt.
2. Uttaradi Matt
3. Vyasarayaswami Matt
4. Sringeri Matt
5. Siraganga Matt.
6. Raghavendraswami matt
7. Sravanabelagola Matt (Jains)
8. Murugarajendraswami Matt at Chitaldrug. (Siravar Matt).
9. Syed Gous, Shakkadri of the Bababudan Hills.

noted in the margin, my selection in this respect being based upon the comparative importance of the several matts as

as also upon the fact of the present or previous priests of these 9 Mattas being exempted by Government from personal appearance in Civil Courts.

2. The list received with your letter under advertance is herewith returned.

I have the honor to be,
Sir,
Your most obedient Servant.

OFFICE OF THE Dy Comm.r

MYSORE DISTRICT,

Dated Camp Chinkurli 12th August 1899

To

The Secretary to the Government of Mysore,
General and Revenue Departments.

SIR,

I have the honor to state that it has been brought to my notice that the cowherds employed by the Palace authorities to tend Palace cattle are very often found carrying guns without a license while grazing them in the kavals situated in my District.

2. Government Notification no. 10 of 1st May 1895 and subsequent modifications thereof exempting certain personages and Government officers of certain rank etc, are silent regarding the Palace Amrithmahal Department servants. Clause (Para) 18 of the Rules framed by Government under Section 22 of the Mysore Arms Regulation exempts certain Government Amrithmahal

Department servants from the pro-
- hibitions and directions contained
in certain sections of the said Regu
- lation -

3. A case in which a Palace de-
- partment cow-herd was found
carrying a gun without a license,
is now pending disposal before the
2nd Assistant Commissioner and 1st
Class magistrate. The evidence
adduced by the defence shews that
the gun is the property of the Palace
and that it was entrusted to the
man in charge of the Palace cattle
to protect himself and them from
wild beasts. The Palace Amirthmahal
servants are perhaps entitled to
concessions similar to those granted
to the Amirthmahal Department.
But in the absence of specific pro-
- vision authorizing the carrying
of a gun without a license by this
Class of Palace servants, the act of

the accused will amount to an infringement of the rules which the law cannot ignore.

4. I therefore beg that you will be so good as to move the Government to exempt the servants in charge of the Palace cattle also from the restrictions of the Arms Regulation.

I have the honor to be
Sir
Your most obedient servant

District Magistrate
Mysore.
